Videos

Videos on all lots selling are available at www.dvauction.com, www.mms.bz or www.heartofamericagelbvieh.com

Semen Donation Lots

All semen funds will be used to help host the future AGJA and HAGJA events in the state of Missouri.

Registrations

Registration papers are all in order and will be transferred to buyers by the seller.

Health

All cattle selling in Missouri will sell with a health certificate available if needed. All out of state cattle will be shipped with a health certificate.

Trucking

All trucking expense is buyers expense. Please make contact with seller following the sale to arrange shipment.

Embryo and Semen Shipping

All embryos and semen shipping is buyers expense. Please contact seller following the sale to arrange shipment.

Terms and Conditions

All cattle sell by the standard terms and conditions recommend-

Online Auction Hosted by DVAuction

This sale will be broadcast live on the internet.

DVAuction
Broadcasting Real-Time Auctions

Auction Details

Auction opens at 8:00 A.M. (CST) and closes at 7:00 P.M. (CST)

All bidding will be online only.

All lots for this event will close at the same time. If a bid is placed within 5 minutes of the closing time, closing times for that event will be extended to 5 minutes after that bid. This continues until no bids are placed for 5 minutes.

Junior Heifer Futurity

The Junior Gelbvieh Futurity is sponsored by the Heart of America Gelbvieh Association.

The heifer futurity will consist of a special class at the Missouri State Fair as an incentive to juniors that purchase show heifers from this sale. There will be a separate show for Balancers and Purebreds. Each sale lot will have \$50 deducted to go towards prize money.

Payout will be determined by funds available and number of entries. Futurity heifers must be born from Sept 1, 2021 to Nov 30, 2022.

Pick of J & K Gelbvieh Farm Fall 2022 Natural Born Open Heifers

JKGF All American J109

JKGF 417 Justice F819

JKGF Civil War E92

JKGF Ditka C85

Selling pick of the fall 2022 natural born heifer calves from J & K Gelbvieh Farm in Ava, Illinois. Buyer gets to choose from 40 plus 2022 fall born natural calves from the heart of this program that has produced many AI sires and top production females and donors over the past few years. This group of heifer calves comes from cow families that have produced JKGF All American J109, JKGF Chief Justice C205, JKGF Ditka C85, JKGF 417 Justice F819, JKGF Civil War E92, JKGF High Call G67, JKGF Jetsetter E30, JKGF New Horizon C51 ET, JKGF Final Frontier and many seedstock sires produced and working in programs all across the United States. This is the first time we have offered an opportunity like this from our program. The fall natural born 2022 open heifers calves are sired by JOB Danell Pay Pal 12H, JKGF 417 Justice F819, RTRT Invision, JKGF High Call G67, DCH Hille C169 and Deer Valley Growth Fund.

J & K Gelbvieh Farm Inc retains 1 flush over the heifers lifetime at buyers convenience and sellers expense.

A complete list of open heifers is available upon request. Buyer must make pick by June 1, 2023.

Selling 3 conventional frozen embryos with a guarantee of 1 pregnancy out of DLW Ms Sam ET 467B sired by JKGf Civil War E92.

467B was our pick of the flush by Thomas Angus Ranch and Warner Beef Embryos in 2015 Warner Beef Genetics Fall Sale as a bred heifer. This elite female has raised 9 natural calves and is now in our donor line up. Her progeny combined offer a BW ratio 93, WW ratio 105, and YW ratio 102. Combine her genetics with JKGf Civil War E92, the 3rd most used Balancer Sire in the AGA registry for the 2021 calendar year and a leading trait leader in the breed for WW, YW, FPI Index, SC, Docility, Cow \$, EPI Index these will be some powerful cattle to add to your breeding program.

This package sells with a guarantee of 1 pregnancy provided embryos are placed by a licensed and certified embryologist. A replacement of 1 embryo will be provided if needed for the guarantee. If a replacement is provided, the guarantee is fulfilled.

Selling 3 IVF frozen embryos with a guarantee of 1 pregnancy out of RUMB Y96 ET Lady Kruggerrand sired by JRI Pop A Top 1 ETN.

This mating is one that could produce High performance off spring. Y96 is a high performance cow. She has produced 2 of our best donor females for us. She is in the top 15% on YW and WW. She is the Grandam of Rumfelts Prime Time, Rumfelts Trina and Rumfelts Tina. Rumfelts Prime time and Rumfelts Tina have both been National Reserve Champions at Cattlemen's Congress In OKC. Rumfelts Trina has had various championships as well. JRI Pop a Top 2ETN Clone is a Homo Polled Purebred that needs no introduction. This will be an awesome mating that will produce High percentage balancers that will perform in the field and be an amazing breeding piece down the road.

This package sells with a guarantee of 1 pregnancy provided embryos are placed by a licensed and certified embryologist. A replacement of 1 embryo will be provided if needed for the guarantee. If a replacement is provided, the guarantee is fulfilled.

BIG-TIME Balancer heifer right here! Big-time EPD's, big-time pedigree, big-time phenotype, Homozygous Black and Homozygous Polled. There is hardly a box that she doesn't check. The "Julia" cow family is known for producing cattle who succeed in the showing and the pasture, and 223K looks like she will follow suit. Her sire, TJB Rebel Yell 804F, is a past Balancer Futurity Champion and National Champion Balancer Bull. Phenotypically this female is tremendous. She is sound off both ends, big middled, good hiped and cool fronted. On paper, her Genomic Enhanced EPD's show that she is in the Top 10% in the breed for WW, Top 15% for YW, Top 5% for Milk, and Top 3% for TM. She has a good disposition and sells ready to compete in the showing at any level! When her show career is over, just sit back and let her do her thing. You won't be disappointed with this one! Sells open and ready to breed this spring.

A powerful balancer female here!! She was kind of my project during calving this year. Super quiet and easy to work with. Kid friendly. I believe she would do well in the show ring this summer, but more importantly would be excellent addition to anyone's breeding herd. With a very well balanced set of EPDs this heifer could be bred to anything and will be a leader within anyone's herd. Sells open and ready to breed this spring.

This is one of Brad & Karley's Favorites! Rumfelts Scarlet is in a line full of Amazing progeny. She is in the Family of Rumfelt's Prime Time, the 2022 Reserve National Balancer Bull and the 2021 Reserve National Balancer Female in the Open Show at Cattlemen's Congress in Oklahoma City. She is also in the Family of LONG HAUL Princess. One of Rumfelt Farms best Producers in the Field and in the Show ring. If you are looking for one heck of a producer that can perform in both the ring and the field, Rumfelts Scarlet is the one for you! With her rib, powerful shape, femineity, and smoothness from her neck through her shoulders while being structurally sound while on the go. She will be one piece that can bring many aspects to your herd.

Miss Gracie is our pick to sell in the HAGA online sale. She is a homozygous polled daughter of Franchise F806 with an outcross maternal pedigree. The Franchise daughters are in production and some of the top producing young cows in the breed with many topping sales throughout the country. Miss Gracie is a combination of calving ease, maternal and carcass with longevity in this cow family. She is very strong and balanced in her EPD profile as well. Halter broke.

2K57 is a unique breeding piece out of our herd sire we call 805. This lady has an ultra-feminine head and is great haired. If you like them big ribbed and deep centered with a big top line, this girl is right up your alley. When we went out to pick heifers, this was Scott's pick! We wanted to add something out of this great herd bull, 805. I jumped all in after seeing her hair and the amount of rib she had. Bid in confidence! 2K57 has been hauled and is ready to go. We have packaged 2 straws of our newest acquisition, the high selling bull Lazy TV Rock Star K560 AMGV1538805 from the Lazy TV Ranch sale this year (partnered with Warner Beef Genetics).

2K54 easily surfaced to the top of about 40 heifers when we were invited to attend this sale quite easily. If you like them with plenty of foot and bone but still elegant on the side, this one is for you. She has an ultra-feminine presence with an awesome front one third. She is bold ribbed and when you get her on the move, she doesn't disappoint. I have a 6-year-old that handles this one, she is a big puppy dog. Bid in confidence! 2K54 has been hauled and is ready to go. We have packaged 2 straws of our newest acquisition, the high selling bull Lazy TV Rock Star K560 AMGV1538805 from the Lazy TV Ranch sale this year (partnered with Warner Beef Genetics).

Creating Miss Step was no accident as she is the product of 6+ consecutive generations of AI breeding, sired by the great heifer producer Next Step.. She was Brad's pick of my September heifers and has the personality of her grandmother that was affectionately known as Sweetheart here at Three Crosses, having no problems being blown and washed only the second time she was ever tied up. She will be very competitive this summer and being 75% will qualify for whichever show you want. Feel free to call or text Robert with any questions.

I wanted to offer the best I had for this Online heifer sale and Miss Nitro 4K is definitely the best spring I have. She has already been to the backdrop having won the junior heifer calf division in the Open show at the Missouri State Fair and will be very competitive this summer as well. In addition to having the look to compete, she has outstanding epd's, ranking in the top 10 % for Weaning and Yearling. And to top it off she is a granddaughter of the famous Lee Ann 650U donor. She sells AI bred on March 28th to Fronrunner, has not been with a clean up bull, but will be too early to confirm. Feel free to call or text Robert with any questions.

MS CCRC Carolina Justice is the homo polled and homo black ET daughter of our donor dam Carolina 3326A ET. CCRC Carolina Justice has a baby doll disposition and an impressive EPD profile. We've always placed emphasis in our breeding program on fertility because we believe getting a calf on the ground is one of the most important jobs a cow can do. We also tend to trust the fertility EPD scores a little more because of their objective nature; you've either got a calf or not. Please note that CCRC Carolina Justice ranks in the top 5% and 2%, respectively, for heifer pregnancy and PG30. CCRC Carolina Justice also has a \$Cow index in the top third of the breed and a feeder profit index in the top 1% of the breed. After her show days are over, we think this young heifer will make someone an excellent real-world cow.

Full Exposure X Mollie K404 Mollie C38. A can't miss here out of our donor cow C38 who had a very successful show career herself. A full sister to K404 won the MO state Fair as a calf and then went on to be a donor for Joey Davies at 16 tons Gelbvieh. Another full sister won the MO State Fair 2 years in a row and serves as a donor in our program. K404 was named Champion Gelbvieh at the Steers and Stripes show in Sedalia. She is big, stout structured, long bodied, deep sided, feminine looking heifer that glides around the ring. Big time donor power here. Retaining 1 flush from Mollie K404 at buyers convenience and sellers expense. Sells AI'd 4-04-23 to HDG Hillsdown Fennigan 4F.

So here is a double bred Mollie C38 that combines 2 angus bulls that we have used hard in our angus program in Hoover High Dollar (who you can read more about in our donation lot) and HFS First Class owned by Moffitt Angus. Her sire Big M won the Mo state fair bull show as a calf and went on to sire several females that we have retained in our herd. Her dam is a can't miss cow that has already put some good females back into the herd. She is an extremely clean fronted heifer that combines it with exceptional base width, a big middle, and powerful hip. Retaining 1 flush from Mollie K404 at buyers convenience and sellers expense. Sells A'd 4-04-23 to HDG Hilldown Fennigan 4F.

CCN Kool Running 285K is a 94% Gelbvieh, with outstanding eye appeal displayed from every angle. She is beautiful fronted with a super clean cut front end tying in smoothly with her phenomenal topline. She will pack a lot of pounds into a moderate framed animal with her excessive length of spine. 285K goes back to Judd Ranch genetics on both the top and bottom side of her pedigree. You will want to make sure you find this female.

Selling choice of lots 17A or 17B from KC & Karsyn Youngblood. Buyer may choose one of these fall 2022 open heifers sired by Pure Profit. These 2 young heifers are very attractive with strong maternal and productive cow families. Both heifers are out of Karsyn's past show heifers that we feel have a very strong future. Either heifer will be a great Junior show heifer for Junior Nationals and state fair.
